

# CERTIFICATE OF APPRECIATION

2008

*Presented to*

**CGM Computer Consulting, Inc.**  
Columbia, South Carolina

*for*

*Extensive on-site technical assistance to the SC Department of Archives and History in completing a major upgrade of and enhancements to the Department's Online Records Index.*

*Performed at no cost to the Department, CGM Computer Consulting's assistance provided an important service not only to the Department but also to the public in making more accessible, from home and other locations, more than one million pages of the South Carolina State Archives' historical state and local government records.*

Signed this 5th day of December 2008

*A. V. Huff Jr.*
